My heart, it's a ragin' fire
The devil in you, my sweet desire
It's burnin' me, in the 3rd degree
The look in your eyes, it's plain to fuckin' see

It's so hot I can't hold on
But the flame still burns on and on
Cos my love for you baby
Burns all night long, all night long
Burn

I got a taste for you, it's oh so sweet
At the burning bridge, our two hearts meet
In the blazin' heat, destiny takes hold
Forever young, wild and bold

It's so hot I can't hold on

But the flame still burns on and on
Cos my love for you baby
Burns all night long, all night long
Burn

It's so hot I can't hold on
But the flame still burns on and on
Cos my love for you baby
Burns all night long, all night long
It's so hot I can't hold on
But the flame still burns on and on
Cos my love for you baby
Burns all night long, all night long
Burn
