I like this girl so much  
She's always on my mind  
We have an awesome time  
We never crossed the line  
She don't wanna mess-up the friendship  
Ã¢â¬ÂFriendsiesÃ¢â¬Â  
I'm in a frenzy, 'cause my bedroom's empty  
And I'm gently attempting to win her over  
By being as good as friend as I can be  
She's tempting but riddled with doubt  
Friend Zone is like the mafia  
You'll never get out!

Ya  
She doesn't know the half  
In my wallet I keep her photograph  
I've made my decision  
For you, Babygirl, I'd change religions  
Ã¢â¬ÂCause in your eyes I see heaven  
Girl, I think about you 24/7  
Before this story ends  
I wanna know can we be more than friends?

I put my hands up in the air  
Try to act like I don't care  
But tonight I'm all alone  
Because now I'm in the Friend Zone

I'm in The Friend Zone  
I'm in The Friend Zone  
I'm in The Friend Zone  
Now, I'm in The Friend Zone  
Now, I'm in The Friend Zone  
Now, I'm in The Friend Zone, Oh Ya

I go the blues 'cause we're not knockin' the boots  
We're talkin' gossip news and shoppin' for shoes  
I hate when you make me watch Sex and The City until  
the day ends  
I'm not your gay friend!  
But I'll do it, just to get next to you.

Just to prove I can best the rest the dudes  
I'm obsessed with you. I pester you.  
Ã¢â¬ÏCause when we ain't together, I'm probably  
texting you

Ohh!  
You make me the maddest  
I just want to change my Facebook status  
To Ã¢â¬Ïin a relationshipÃ¢â¬Ï  
But Ã¢â¬Ïit's complicatedÃ¢â¬Ï  
Well you're makin' it hard for me  
Ã¢â¬ÏCause I just can't walk away  
I just can't walk away  
I just can't walk away

I put my hands up in the air  
Try to act like I don't care  
But tonight I'm all alone  
Because now I'm in the Friend Zone

I'm in The Friend Zone  
I'm in The Friend Zone  
I'm in The Friend Zone  
Now, I'm in The Friend Zone

I know you don't notice, but there's no excuse  
To date that other dude, he's a total douche  
He's got a few broken screws, I'm so confused  
That Imma have to show the dude  
That you deserve better, and you know you do  
Always feel free to cry on my shoulder. Boo  
Ã¢â¬ÏCause if I eer go with you, I'm sure I'll stay  
I wanna leave now, but I just can't walk away

I just can't walk away  
I just can't walk away  
(I just can't walk away)  
I just can't walk away  
(I just can't walk away)  
I just can't walk away  
(I just can't walk away)  
I just can't walk away  
(I just can't walk away)  
I just can't walk away  
(I just can't walk away)  
I just can't walk away  
I just can't walk away

I'm in The Friend Zone  
I'm in The Friend Zone  
I'm in The Friend Zone

Now, I'm in The Friend Zone

I put my hands up in the air  
Try to act like I don't care  
But tonight I'm all alone  
Because now I'm in the Friend Zone

I put my hands up in the air  
Try to act like I don't care  
But tonight I'm all alone  
Because now I'm in the Friend Zone

I'm in The Friend Zone  
I'm in The Friend Zone  
I'm in The Friend Zone  
Now, I'm in The Friend Zone
