there's nothing left to say
i'm not with you
you lie so far away
from the truth

Jupiter, you're on my mind
the clock will turn the gears of time
i only wanna be with you
symmetry can lean askew

it's gripping on my mind
i'll stay, impossible to define
while you're away
there's still nothing to say
i'm not with you
sometimes the path least travelled
is the avenue.

The stranger in your life
you thought you knew
how can i be yellow
and still so blue
i'm bluee...

Jupiter, you're on my mind
the clock will turn the gears of time
i only wanna be with you
symmetry can lean askew

it's gripping on my mind
i'll stay, impossible to define
while you're away
you're away...

Jupiter, you're on my mind
the clock will turn the gears of time
i only wanna be with you
symmetry can lean askew
