Hmm.. hmm.. hmm...

Real simple pray

All I need is a touch from you

No one else can do the things you do

Take the wrong in my life and make it right

even me All I need lord jesus

is a touch from you from my master and king

all I need is a touch from you

Oh God Ho... God

Lord I'm standing in the need of prayer

When I call Lord I know your there

Reach your hand down from heavenAnd pull me  
through

All I need is a single touch

a touch from the master oh god

All all I ever need is a touch from you

If you touch me

hey... I'll change my lose to win

I will not loose I'll win, I win

And live again New life I win

You'll Take the wrong and make it right

you'll make it alright (All i need is a touch from you)

you wont forsake me (All i need is a touch from you)

you'll touch me jesus and hold on

That's why I need (All i need is a touch)

That's why I need (All i need is a touch)

that's I need your touch tonight (touch me)

you unchanging hand (touch me)

that will not waver (touch me)

even when I'm worked (All i need is a touch

weak and worn out

and fill with doubts about tommrow

cause I felt this pain yesterday

cause I made so many mistakes I mean I stumbled and

fell

and I did not think

I could ever be made over

Cleaned up

But somehow I believe tonight  
That if you put your healing hands on me  
Everyone of my sins Everyone of my sins  
Will be washed away I wanna be made over  
I wanna be made over Everything I've ever needed  
Healing, peace, joy unspeakable joy  
Till you touch me lord jesus  
Till you heal me lord jesus  
Till I shine in the light of your glory  
One more time, I will, I will, I will  
All I've ever need is a touch from you  
Even me a r like me  
All I need, all I need, all I need  
Don't be afraid join me at the alter  
God is here love is here
