I stand amazed...
... at what God has joined together
Cuz with the good times, there were a few bad days
But we held onto the promise, the promises we made
-on the first day
I still choose you...

[Chorus]

... to have (to have), hold (to hold), until (until) we're old
(we're old)-
-to stay (to stay faithful to this love,) one day (one day
at a time)
... (to care) to care, (to share) to share, (the joy), the
tears (the tears)-
-(believing God will see us through), one day (one day
at a time)
(One day at a time)
(One day at a time)

I stand amazed...
... because the challenges we faced, seemed
impossible
-but we made it
Now, through any season,
-you remain the reason I remember...
... and still choose you...

[Chorus]

... (to have) to have, (to hold) to hold, (until) until (we're
old)-
-to stay (to stay faithful to this love,) one day (one day
at a time)
... (to care), to share (to share), (the joy), (the tears) the
tears-
-(believing God will see us through), one day (one day
at a time)
(One day at a time)

[Bridge]

I've heard people say,
Feelings are bound to change
But this one thing still remains

I don't wanna face tomorrow without you...

[Chorus]

... to have (to have), to hold (to hold), until (until) we're
old (we're old)-

Oh, (to stay faithful to this love), faithful to this love
(one day at a

Time)

... care (to care), to share (to share), this joy (the joy),
each tear (the

Tears)-

-Oh yeah, (believing God will see us through), God will
see us through,

(One day at a time)

I still choose you. (One day at a time)

I still choose you. (One day at a time)
