Everything comes to a question, where time is the  
factor  
But I can't care about it  
Everyone talks about justice but truth is forgotten  
You're accused but not on trial

Turn to me, - For the right answer  
And I will tell you, - That everything comes into

CHAOS, BURNING, TERROR  
I am 6 ft. of anger  
PANIC, CARNAGE, MAYHEM  
I am 6 ft. of anger

I'm building tension but not any bridges  
'Cause I don't care about that  
The weight of my conscience is lighter than air  
I am bent but never broken

Turn to me, - For the right answer  
And I will tell you, - That everything comes into

CHAOS, BURNING, TERROR  
I am 6 ft. of anger  
PANIC, CARNAGE, MAYHEM  
I am 6 ft. of anger

CHAOS, BURNING, TERROR  
I am 6 ft. of anger  
PANIC, CARNAGE, MAYHEM  
I am 6 ft. of anger

CHAOS, BURNING, TERROR  
I am 6 ft. of anger  
PANIC, CARNAGE, MAYHEM  
I am 6 ft. of anger
