From Nine to Five Every Day  
In This Machine You Are Slave  
What Richman Want Must Be Done  
And There Is No Time For Fun!

Come Break All Chains  
Wear Leather And Spikes  
Feel Raging Metal  
Cause This Is Your Night!  
You Are Not Machine  
And Now Is The Time  
Stand Up!  
Stand Up And Fight For Your Rights!

Working Like Slave 'Till You Die  
You Just Wasteing Your Time!  
A One More Brick In The Wall  
Just a Full Under Control!

Come Break All Chains  
Wear Leather And Spikes  
Feel Raging Metal  
Cause This Is Your Night!  
You Are Not Machine  
And Now Is The Time  
Stand Up!  
Stand Up And Fight For Your Rights!

We got All That You Need  
Cold Beer And Fast Raging Steel!  
We Livin' Free Playin' Fast  
And We Will Leading The Crowd!
