Wounded Knee
Indian Graves
Wounded Knee
American Shame
Wounded Knee
The Great Spirit Cries
Bury My Heart At Wounded Knee!

My Name Is Red Cloud
I'm Chief Of My Tribes
Great Spirit Calling My Name!
White Man Came With Raging Steel
We'll Never Be The Same!

We Singing War Songs

We Are Brave We Are Strong
Great Spirit Is On Our Side!
One By One Fueled By Anger And Hate
We Marching To Our Final Strike!

Wounded Knee
Indian Graves
Wounded Knee
American Shame
Wounded Knee
The Great Spirit Cries
Bury My Heart At Wounded Knee!
