Layin up in bed, all night with you again  
Yeah we hide from the next day  
Cos we know we know that I,  
in the end I really can't stay  
Pleasure & pain are both the same and love is just a  
losing game  
Wanting to give it all but 'fraid to lose it if it falls apart

We hold each other, but we hold back  
Yeah we enclose each other, then we step back  
I can see it in your eyes, you need to hold on to your  
life  
Not run away in my dreams of paradise  
You're wise, you say that I'm

A Butterfly Man, I'm just a Butterfly Man  
Today I'm yours but tomorrow when I'm gone, you'll  
understand  
Butterfly Man, I'm just a Butterfly Man  
Holding me mama can't you see's like a hand full of  
sand

So now before I go away

If I could seal your heart  
Keep inside the feelings of today, I'd be  
Keeping the fire burning til the moment I return to see  
you  
But the only problem is I cannot promise anything

We hold each other, but we hold back  
Yeah we enclose each other, then we step back  
I can see it in your eyes, you need to hold on to your  
life  
Not run away in my dreams of paradise  
You're wise, you say that I'm

A Butterfly Man, I'm just a Butterfly Man  
Today I'm yours but tomorrow when I'm gone, you'll  
understand  
Butterfly Man, I'm just a Butterfly Man  
Holding me mama can't you see's like a hand full of

sand
