would it be ok if I borrow your car
you see I gotta get just a little too far
would it be ok if it takes me a while
to sputter out and call it a night
cause I got caught up counting stars in the eyes
I got caught up and my head wouldnt stop
I guess everybody loves what you couldnt give up
everybody loves what you couldnt give up

and I know you'd like to disagree
but you got yourself all into this
another day
they hit you miss
I thought you said you started broken
I'm counting stains on the wall
and I'd like to think it makes you taller
another day
they hit you miss
another day ...

there's someone at the door looking to fall
I hear him turn it over and over again
I guess he got caught up counting stars in the eyes
I got caught up and my head wouldnt stop
and if this is how it feels
I wanna shut out
if this is how it feels
man
I wanna shut out

I know you'd like to disagree
but you got yourself all into this
another day they hit you miss
I thought you said you started broken
I'm counting stains on the wall
and I'd like to think it makes you taller
another day
they hit you miss

another day ...
when you wont even cover everything
