

Forget Me in June "Closed"

Visit "[Closed](#)" on MotoLyrics.com

Every time, I want to run and hide
Whenever I feel it is out of my control
Can't you see, you need to respect me
I think I'm out of time I need to let it show
But you don't seem to understand
I need some time to make my plans
But you don't ever want to let me go
I'm getting out tonight
Been meaning to say for a while
That's why I'm

Turning off the sign
Turning off the lights
We're closed

Sitting at the table, from the corner of your eye
Pack your things and come to the other side
It's open for you here, anytime, anytime
