Verse:

I'm holding on the locket  
We stole from the ministry  
And I'm hearing what you say  
But it just takes over me  
You tell me that you need us  
But now we're just wandering,  
But wait  
You think that you're the hero  
Now I think I finally see  
And I say ehh

Chorus:

That's too late to apologize  
It's too late  
I said it's too late to apologize  
It's too late

Verse:

I'd take another locket  
Help you kill you-know-who  
And I need you like a  
Seeker needs a snitch  
But it's nothin' new  
Yeah yeah  
My hair is fire red  
Like my hate for you  
And you say...  
"Sorry" like the hero  
Dumbledore thought was you,  
And I can't say...

Chorus:

It's too late to apologize  
It's too late  
I said it's too late to apologize  
It's too late  
It's too late to apologize  
It's too late  
I said it's too late to apologize  
It's too late

I said I'ts too late to apologize  
Yeeaaaah  
I said I'ts too late to apologize  
Yeeaaaah

I'm holding on the locket  
We stole from the ministry.
