So hurt, you left me hanging,
In a room with a noose and a chair.
You told me to stay put,
and reminded me why I was there.

Cold-blooded, and misguided,
You thought that this would be your best,
Then you tried to hide it,
a chance to move ahead.

Today was the day, you tried to shut me down,
Today was the day, YOU TRIED TO SHUT ME DOWN

(Ear orgasm starts here)
Be honest,
Did you ever mention my name?
Did you get sick of the shame?
Did you lie on your back?

Be honest,
Did you ever mention my name?
Did you get sick of the shame?
Did you lie on your back?

Like a, WHHHHHHOOOOOOORRRRREEEE!!!!!!

Close-minded, with no direction,
a chance to prove who you were
though my friend, you forGAWT to think,

of all of the things that you're not.

Today was the day, you tried to shut me down.
Today was the day, YOU TRIED TO SHUT ME DOWN!
TODAY WAS THE DAY, YOU TRIED TO SHUT ME DOWN!
TODAY WAS THE DAY,
YOU TRIED TO SHUT ME DOWN!!!!1!!!!11!

(Ear Orgasm begins again here)
Be honest,
Did you ever mention my name?

Did you get sick of the shame?
Did you lie on your back?

Be honest,
Did you ever mention my name?
Did you get sick of the shame?
Did you lie on your back?

Be honest,
Did you ever mention my name?
Did you get sick of the shame?
Did you lie on your back?

Like a RRRRAAAWWWWWWWWRRRR!!!!1!!!!1!!
