Oh God, what have I done ?  
Another mood's come and  
Blocked out the sun  
What will I do when this world's reduced to crumbs ?

You're a dancer  
And you move and you swing  
And I love you even when you ruin everything  
You're a dancer  
And you dance and you swing

Oh God what have I done ?  
I didn't mean to hurt anyone

What do I do when this world stops being fun ?  
Turn on my training heels and run, run, run  
Turn on my training heels and run, run, run  
Turn on my training heels and run  
Turn on my training heels and run, run, run

Oh girl, what have I done ?  
Looks like I've tied you up in all the yarns I've spun  
But I'll be here to catch you when the whole thing  
comes undone

You're a dancer  
And you move and you swing  
And I love you even when you ruin everything  
You're the answer we can still have the sun

Put on our training heels  
And run, run, run
