OK! My girl! I'm gonna drive my car to see you there
Don't go so far
It's not so easy for me to find you
Every single stuff on the earth
Looks so happy yeah really happy
Never felt like this in the past
but I can feel this happiness
I don't want to see you cry let me show
your smile and goodbye
I really want to stay with you till
the end of fuckin' my life
All the time I think of you I never change my mind
All light? All light? All right

Long time, no see I wanna drop my duty on the floor
Go like surfer
The only peace is in my bedroom
Every single stuff on the earth
Looks so happy yeah really happy
Never felt like this in the past
but I can feel this happiness
I have to stop the drug for you
let me show the way of my life
I really want to stay with you
till the end of fuckin' my life
All the time I think of you
I never change my mind all light
All light, all right
