The enemy comes only to  
Steal, kill, and destroy  
And because we dont know who and who's we are  
We come and let them steal our joy

Yes, its true, we all fall short  
But, still that gives us no excuse  
Soon the enemy is fighting you  
Just tell him to prepare to lose  
Cuz' I'm...  
(more than a conqueror) (x4)

Because of God's covenant with me  
I'll always have the victory  
No matter what you take from me---  
God still get's glory from me

The kingdom's sufferin' violence  
And the violence taketh by force  
So, today we make a stand  
Cuz' we're not takin' it no more  
(more than a conqueror) (x11)  
(more than , more than , more than the conqueror) (x6)
