You a Liar! You a Cheat! You Deceive me.
(I hate you!)
From the depths of my soul and i mean it!
You wanted to kill me, but it ain't goin be easy.
(cause i hate you.)
Yeh ima stand my ground and ima fight wit the Lamb
of Jesus Christ!
I rebuke you I see what your tryin to do so i wrote this
song for you.
Yes you cuz i hate you

Verse 1:

Neva had a feelin like this before.
I aint Neva really like ya since i came to the lord.
All stunts that you're pullin really gettin on my nerves
Forget what you used to forget what u heard.
The word: A light, a lamp, unto the feet i walk with.
The more i eat the more i hate the mouth that you talk
with.
Holiness before me pull me back when i get near ya.
I'd punch you in the face if you weren't in the spirit.
But the enemy comes with means to steal, kill, and to
destroy us.
Doesnt matter what race ya'll.
Man,woman,girl, and boy yeh.
He Dont care nuttin bout ya
He's trying to take you out
Feels good but you're dieing man.
he's nasty and he's mean come on the winnin team
Dont play wit em no more you'll see i had to let em go.
Cuz I hate you

Chorus:

(I hate You!)
You a Liar! and the truth aint in ya
(I hate you!)
Tried to kill my parents, my brothers, my sisters.
You wanted to kill me, but it ain't goin be easy.
(cause i hate you.)
I despise you with all my soul.(I hate you) im disgusted
by your presence alone.
I rebuke you and see what your tryin to do so i wrote

this song for you.
Yes you Cuz I hate you

Im a bride yes God can mold me yes
Im saved and my body's holy yes
Yes I was guilty but Christ died for me
Dont believe the lie ya'll the devils' phony.
He jus mad cuz he cant hold me no mo'
God opened doors he cant close
Tryin take me out yeh he came close i gotta word now
ya'll and im throwin bones.
Like no weapon formed against me ya'll it can never
prosper

Never seen the righteous of the LORD forsaken.
Not deceived they get bread, yeh.
So on the real though im tired of this mess
Sick of this thing that we all call flesh.
Holy Ghost spreading Im bout to do what they do and
ima sprinkle all the ashes on you! (Yes you!)

Chorus:

(I hate You!)
You try to make me do wrong when im right
(I hate you!)
Trying to speak that in my new life.
You wanted to kill me, but it ain't goin be easy.ima
