Time for me to get this straight
so tired of living life the same old way
Trials slowly eaten away at me
I need a touch from the Lord today
(OOh) Revival
who must reconcile all
I wanna be like Jesus
Delivered, set free

How can i reach out to someone else
when i ain't got it together myself
Im just stuck playing the cards i was dealt
In my heart im crying out for help
Im looking for purity
self control and immunity
Said i wanna be like Jesus
Delivered, set free

Make me betta than i was before
Oh Lord, please start over
Gimme those things i need more of
More of You
More of your love, your strength, your mercy
More of your peace, Lord i need purpose
betta than i was before
More of you

Make me betta
Make me betta
Make me betta
More of you

Make me betta
Ooh Make me betta
Make me betta
I need more of you

Make me betta
Make me betta
Make me betta
More of you

You, make me betta
Make me betta
Make me betta
Because i need more of you
You
I feel betta
Hey, i feel betta
betta
i feel betta
i have more of you
you
i feel betta
i feel betta
betta
i feel betta
now that i have more of you yeah
