I'll be up in the club, acting like I'm f-f-faded  
Just looking for someone till I can upgrade it  
I came to have some fun, raise my glass up to the sun  
Tonight I'm coming undone

Cause all I see is girls, all over the floor  
I see a girl that I wanna take home  
Beautiful girls, I can't take anymore  
This kind of girl I would - I'm looking for

I wanna get with that girl, that girl  
I wanna get with that girl, that girl, oh oh  
I wanna get with that girl, that girl, oh oh  
I wanna get with that girl, wanna get with that girl, that  
girl, girl...

The way she moves is like she's working for t-t-t-tips  
This chick's like dynamite and her fuse is lit, lit, lit  
This place about to blow, these girls taking control  
I don't know which way to go!

Cause all I see is girls, all over the floor  
I see a girl that I wanna take home  
Beautiful girls, I can't take anymore  
This kind of girl I would - I'm looking for

I wanna get with that girl, that girl  
I wanna get with that girl, that girl, oh oh  
I wanna get with that girl, that girl, oh oh  
I wanna get with that girl, wanna get with that girl, that  
girl, girl...

Ooh that girl - girl, girl, girl, girl [x4]

Whoa oh, where my fly girls at tonight?  
Oh, let me see them hands way up high  
Oh, where my fly girls at  
I wanna get with them, I wanna get with that girl  
Oh, oh, oh, that girl, girl, girl, girl  
Oh, oh, oh, that girl, girl, girl, girl  
Uh that girl!

Cause all I see is girls, all over the floor  
I see a girl that I wanna take home  
Beautiful girls, I can't take anymore  
This kind of girl I would - I'm looking for

I wanna get with that girl, that girl  
I wanna get with that girl, that girl, oh oh  
I wanna get with that girl, that girl, oh oh  
I wanna get with that girl, wanna get with that girl, that  
girl, girl...
