Let me tell you somethin' baby  
Ya'll should do what I do  
Dontcha let this shit get you frustrated  
You've got to shake it and prove that you can take it

They're lookin' for a weakness in you  
Don't give it up - And don't sweat it none  
Don't you never ever sweat the small stuff  
Dontcha fret and only sweat when you want to get wet  
Come on and sweat with me  
Get wet with me

Now dontcha let 'em stop you baby  
And we all know they'll try to  
Don't you let no bullshit drive you crazy  
Just take a deep breath and you will sweat less

They're lookin' for a weakness in you  
Don't give it up - And don't sweat it none  
Don't you never ever sweat the small stuff  
Dontcha fret and only sweat when you want to get wet  
Come on and sweat with me  
Get wet with me

They're lookin' for a weakness in you  
They try to take advantage of you  
You know that they underestimate you  
Don't give it up - Don't give it up  
Don't sweat it none - Don't sweat it now  
Come on and sweat with me
