Don't keep it all in your head  
What we had was off  
It's best that we forget  
And overlook it all

But even now  
When they fall into place  
I think about you then

I know I'd forget  
If I was alone  
Make sure I can mix  
Love and hold on

Now I'm surrounded  
By my old things  
Thought I had moved on

Tried to make ends meet  
But picked up a new beat  
And so I lay out

But even now  
When they fall into place  
I think about 'em then

I know I'd forget  
If I was alone  
Make sure I can mix  
Love and hold on

Make sure I can mix  
Love and hold on  
Make sure I can mix  
Love and hold on

Don't forget  
Don't forget  
Don't forget

Don't forget  
Don't forget

Don't forget

Don't forget

Don't forget

Don't forget
