I think I'm losing control but wanna be with you  
I think I'm losing control but wanna be with you  
Bullets in my head, Bullets in my head, Bullets in my  
head or you  
Bullets in my head, Bullets in my head, Bullets in my  
head or you

Wooo, I wanna be with you  
Wooo, I wanna be with you! With you

I know I'm thinking too much and I'm turning blue  
I know I have a crush and wanna be with you  
Bullets in my head, Bullets in my head, Bullets in my  
head or you

Bullets in my head, Bullets in my head, Bullets in my  
head or you

Wooo, I wanna be with you  
(I need to feel. I need to heal. I need someone. Are you  
the one?)  
Wooo, I wanna be with you! With you  
(I need to feel. I need to heal. I need someone. Are you  
the one?)

Wooo, I wanna be with you  
(I need to feel. I need to heal. I need someone. Are you  
the one?)  
Wooo, I wanna be with you! With you  
(I need to feel. I need to heal. I need someone. Are you  
the one?)  
(I think I'm losing control but wanna be with you! I think  
I'm losing control but wanna be with you.)
