Wake me from this bad dream  
It's all I think I know  
I gave myself knowingly  
So here I am alone

Isn't it sad?

Don't you feel bad that you ruined me now?  
Don't you feel bad?  
Don't you feel bad that you took it all now?  
Don't you feel bad?

Beaming youth I once wore  
A pile on a the floor  
Innocence I long for  
I lost that long before

Isn't it sad?

Don't you feel bad that you ruined me now?  
Don't you feel bad?  
Don't you feel bad that you took it all now?  
Don't you feel bad?  
Trying to get back to the girl I was  
Now don't you feel bad?  
Don't you feel bad that you screwed me up now?  
Don't you feel bad?

Lost my dignity to selfish lust  
Everything to a man who couldn't love  
And now I can't even stand myself  
Isn't it sad?  
Isn't it sad?  
Isn't it sad?

Don't you feel bad that you ruined me now?  
Don't you feel bad?  
Don't you feel bad that you took it all now?  
Don't you feel bad?  
Trying to get back to the girl I was  
Now don't you feel bad?  
Don't you feel bad that you screwed me up now?

Don't you feel bad?

Don't you feel bad that you ruined me now?
