It's like a force
walk to the doorway
into the hall.

In this facade
dripping with paintings
down the walls..

And only I can see it.
No one else believes me.
And only I can know it.
Lost in my own moment.

Fantastical eyes
sugar and tea cups
riddles and rhymes
And they will find
nobody's different
only I.

And only I can see it.
No one else believes me.
And only I can know it.
Lost in my own moment.

And only I can see it
no one else believes me.
And only I can know it
lost in my own moment.
