A steady wind in whispers,
a night wish's song.
I ran from a place of safety
And a place that I once loved.

I slid into a deep fog
lost the way I've always known.
In wisps of fleeting visions.
I lost my mind somewhere with the cold.

So I'll go where I belong.
I'll go where I belong.
I'll just go, oh I'll just go back home.

I could taste it in the verse of
a night wish's song.
The melody so bitter
as I tried to venture, I tried to venture on.

But I slid into a deep fog

feeling the lonely in my bones.
Sewing footprints in the snow logs.
I sang my night wish, sang my night wish song.

So I'll go where I belong.
I'll go where I belong.
I'll just go, oh I'll just go back home.

Oh and on. On and on.
On, on, and on, and on.

So I'll go where I belong.
I'll go where I belong.
I'll just go, oh I'll just go back home.

Mmm...
