You caught me,
And left the flowers in between.
The sky scrapers
Scraping up the sky could see
That you knocked me down.

Warm concrete flamed
Beneath the sunsets
As we danced through
This town.

Oh I know that you weren't searching,
And you didn't really seek.
Cos for some strange change in the Universe.
You found me.
You found me.

Clear waters are
Drowning out the river bed.
Our sand castles
Sliding back with all the rest.
Swallowed into bliss.
Inside your house is warm,
A fairytale.
With you, is home.

Oh I know that you weren't searching,
And you didn't really seek.
Cos for some strange change in the Universe.
You found me.
You found me.

I'm a blade of grass beneath your feet,
A blossom on the tree,
I'm a small speck in the universe.
And you chose me.

Oh I know that you weren't searching,
And you didn't really seek.
Cos for some strange change in the Universe.
You found me.
You found me.
