To find some peace of mind
Find a stifling high
To tame my thoughts run wild
Cause they'll chase after you
To your memories tomb
It's what I've yet to lose

I still hold on anyways
You wounded me willfully
I still hold on anyways
Anyways

I'll always waste my life
To search for what I might
Might not ever find
I keep my arms spread wide
Heart beats all the time
Come back whenever you like

I'll still be lost anyways
Abandoned me willfully
I still hold on anyways
Anyways

I will wait
I will wait
I will wait
I will wait
