We dear are all wooden dolls  
Plastic hair on my head keeps me small.  
These matters take more than just a song to see them,  
We've got our own souls even if we're buried beneath  
them,  
We know these roads because we paved them,  
We collapse at once when we cage the rebel...  
Ohohoho ohohoho...  
We dear are all wooden dolls.  
Plastic hair on my head keeps me small.  
These walls between men are built off of fear of each  
other  
We misunderstand, the things that we say to each  
other  
When will we see that we are stuck with each other?  
We collapse at once when we cage the rebel... ohohoho  
ohohoho...  
When we caged the rebel...  
When we caged the rebel...  
When we caged the rebel,  
Oh oh, when we caged the rebel...  
Oh I feel it in my soul...  
When we cage the rebel...  
We dear are all wooden dolls
