"Be Happy"

So many times I've been happy
Yet I find myself
Here again

So many times I've seen blurry
Yet I always see
Clear again

But I'm not ready to fall
I'm ready to succeed
And I'm not ready to fail
I'm ready to proceed

Why does everybody worry?
They just want to see you happy
Why does everybody worry?
They just want to see me happy
Oh why can't I just be happy?

Oh I'm not ready fall
I'm ready to breathe
Surround my life with the good that builds these walls
around me
Oh I'm not gonna be blind
I'm ready to see, ready to see how great
Every new morning can be

Won't let my fears conquer me
Oh I just wanna be happy

I will never give up
Because believing is all I have to hold on to
No I'm not making it up
Because I know I have the strength to pull myself
through

So tell them all not to worry
I promise soon I'll be happy
Give me a moment don't hurry me
All on my own I'll be happy
I swear I'm gonna be happy

Cause I'm not ready fall
I'm ready to breathe
Surround my life with the good that builds these walls
around me
Oh I'm not gonna be blind
I'm ready to see, ready to see how great every new
morning can be
Won't let my fears conquer me
Oh I just wanna be happy
