I've climbed every mountain
But never reached the top
And now that I've started
I am never gonna stop

Seems like I'm startin to see what I'll become
The past was hard, but soon I will overcome

So many times I cried
So many times derailed
But now I'm focused man I'm back on track no stopping
here
Too many times I tried
Too many times I failed
I won't let go now that I'm on so tight, I'm almost there

Chorus:

Don't wake me up, cause I'm dreamin'
Don't tell me no, cause I won't hear it
Don't make me think, cause I'm believin'
Now I'm seeing

Now I know what I gotta do

Always known what I've wanted
Never knew how to get it
Sometimes it gets so hard
I wish I could forget it

But I keep on dreamin' on givin on
Givin my heart to what I'm believin'
Keep the mind thinkin positive
Won't forgive any doubt

If you stop believin

Too many times I tried
Too many times I failed
I won't let go now that I'm on so tight, I'm almost there
So many times I cried
So many times derailed

But now I'm focused man I'm back on track not
stopping here

(Chorus)

Now I know what I gotta do
To get closer to you
I'm trying so hard to breakthrough and be free
Don't hold me back I'm not stopping
Don't make me walk
Cause I'm runnin'

(Chorus)

Climbed every mountain
Never reached the top
Now that I've started I am never gonna stop, no no

So many times I cried
So many times derailed
But now I'm focused man I'm back on track not
stopping here

(Chorus)
