You can make the sun turn purple  
You can make the sea turn tidal  
But you know you can never make me

LOVE U MORE

You can turn wine into water  
Turn sadness into laughter  
But you know you can never make me

LOVE U MORE

Let the sky fall down  
Let the leaves turn brown  
Still you know you can never make me

LOVE U MORE

Let the right words die  
Let the wells turn dry  
Still you know you can never make me

LOVE U MORE

You can make dew into diamonds  
Or pacify the lions  
But you know you can never make me

LOVE U MORE

You can make me dance to order  
My love hung torn and quartered  
But you know you can never make me

LOVE U MORE

Let the new day high  
Leave the scars in sight  
Still you know you can never make me

LOVE U MORE

Let the rain pour down  
Let the valleys drown  
Still you know you can never make me love you,  
No, you can never make me love you more  
You can turn wine into water  
Turn sadness into laughter  
But you know you can never make me

LOVE U MORE

Let the sky fall down  
Let the leaves turn brown  
Still you know you can never make me

LOVE U MORE

Let the right words die  
Let the wells turn dry  
Still you know you can never make me

LOVE U MORE

Hey you know you could never make me,  
Yeah you know you could never make me

LOVE U MORE
