Oh the night is my world
City light painted girl
In the day nothing matters
It's the night time that flatters
Oh the night, no control
Through the wall something's breaking
Wearing white as you're walkin'
Down the street of my soul

(Chorus)
You take my self...
You take my self control
You got me livin' only for the night
Before the morning comes
The story's told
You take my self...
You take my self control

I, I live among the creatures of the night
I haven't got the will to try and fight
Against a new tomorrow
So I guess I'll just believe it
This night will never go

I, I'm living in a moment of a dream
I know that life is not as it would seem
I must believe in something
So I'll make myself believe it
That this night will never go

Oh-oh-oh...

Oh the night, no control
Through the wall something's breaking
Wearing white as you're walkin'
Down the street of my soul

(Chorus x2)
