"The End"

Don't you be thinking that it wont end
Your telling lies and it needs to end
It's amazing what you can find
When your playing tricks of the mind

So don't ignore what I need to say
Please don't do this day after day so come on

Is this the end of, of what we've got
Makes it hard to see, things aren't what they used to be
Is this the end of, of what we've got
Makes it hard to see, things aren't what they used to be

Don't you be saying that your giving up
I'm not telling you to give up
It doesn't matter what you really do
Your gonna play your games, I'm gonna see it through

So don't ignore what I need to say
Please don't do this day after day so come on

Is this the end of, of what we've got
Makes it hard to see, things aren't what they used to be
Is this the end of, of what we've got
Makes it hard to see, things aren't what they used to be

Is this the end of, of what we've got
Makes it hard to see, things aren't what they used to be
Is this the end of, of what we've got
Makes it hard to see, things aren't what they used to be
Is this the end of, of what we've got
Makes it hard to see, things aren't what they used to be
Is this the end of, of what we've got
Makes it hard to see, things aren't what they used to...
