I pulled the plug  
From years of abuse  
Now I'm ready I have lit the fuse  
My tortured past is exploding within me  
My tortured past

All is burning...

My way arouse the crowd  
They see my work and it makes me proud  
Dedicated to perfection  
You're on the Butcher's bill

I'm poerty in motion

A vulture in the night  
Creating new stories  
When I kill you on sight  
Don't turn your back on me  
I won't be ignored

All is burning...

My way arouse the crowd  
They see my work and it makes me proud  
Dedicated to perfection  
You're on the Butcher's bill
