When it's over, I go numb
And lose the feeling for a while
All the pictures make me wonder
If I'll ever find that smile
I'm a sailboat tossed by wind and waves
And somehow I'm staying afloat
I'm a memory, oh and you won't forget me
You burn the letters I wrote

Ooh, you should know
Ooh, you should know
That this is the last song
I'll write for you
And this is my last try
To make it through
And you won't say a word
I'm surprised you haven't heard
I'm trying not to love you

And I wonder if this cycle of mine
Will ever end
And I wonder why growing closer to love
Is starting all over again
I'm a regret, you can try to avoid me
It hurts to know I'm around

I'm a story and I don't know the ending
I worry about that now

Ooh, you should know
Ooh, you should know
That this is the last song
I'll write for you
And this is my last try
To make it through
And you won't say a word
I'm surprised you haven't heard
I'm trying not to love you

And this is the last song
I'll write for you,

Yeah, this is my last try
To make it through,
Yeah, this is the last song
I'll write for you
And this is my last try
To make it through
And you won't say a word
I'm surprised you haven't heard
I'm trying not to love you,
I'm trying not to love you...
