Lalalalalalalalala...ohhh!

I feel so unsure  
As I take your hand and lead me to the dance floor  
As the music dies  
Something in your eyes  
Calls to mind a silver screen  
And all it's sad goodbye

Chorus:  
I'm never gonna dance again  
Guilty feet have got no rhythm  
Though it's easy to pretend  
I know you're not a fool

Should have known better than to cheat a friend  
Waste a chance that I've been given  
So I'm never gonna dance again  
The way I dance with you, oh

Time can never mend  
For careless whisper of a good friend  
To the heart and mind  
Ignorance is kind  
There's no comfort in the truth  
Pain is all you'll find

(Repeat Chorus)

Tonight the music seems so loud  
I wish that we could lose this crowd  
Maybe it's better this way  
We'd hurt each other with the things we want to say  
We could have been so good together  
We could have lived this dance forever  
But now who's gonna dance with me  
Please stay

(Now that you're gone)  
Now that you're gone, I feel so alone  
(Now that you're gone)
