You come creepin'  
Actin' like a fiend  
But I've been warned  
Your deceit knows no end  
But you act so sweet  
And you don't cut deep  
You're just a little creep  
It upset me  
To learn you act this way  
Poor thing it must be hard  
To be yourself each day  
But you act so sweet  
And you don't cut deep  
You're just a little creep  
A creep  
Just a creep  
Just a creep  
You say you're always  
Right, right, right,  
It's not so simple  
It's not so black and white  
But you act so sweet  
And you don't cut deep  
You're just a little creep  
Oh, a creep  
Just a creep  
Just a creep  
Just a creep  
Yes, just a creep  
Ya  
Oh, a creep  
Oh, a creep  
Oh, a creep  
Oh, a creep
