I want to live a pure life
I'd say that it's about time
Don't judge me for the things I've done
To kill off the only one
The bliss I've found in ignorance
A slow burn in the Eucharist
I fear I am resigned
To this guy of my mind

Oh boy
I can't hurt you anymore
Oh boy
I can't hurt you anymore
Oh boy
I can't hurt you anymore
Lord knows I hurt my love
My love

To be so blind I could not see (could not see)
The savior right in front of me (front of me)
The sanctuary in his kiss (in his kiss)
We stayed confined to an abyss (an abyss)
Cause every time you think of me (think of me)
The black covers what might be (what might be)
The long long cold night draw (cold night draw)
Together but all alone

Oh boy
I can't hurt you anymore
Oh boy
I can't hurt you anymore
Oh boy
I can't hurt you anymore
Lord knows that I hurt my love
My love

The tracks of time left tracks of tears
When love is smothered out in fear
Gonna hang on to the cold
The day we wait could feel in clear (?)

Oh boy
I can't hurt you anymore
Oh boy
I can't hurt you anymore
Oh boy
I can't hurt you anymore
Lord knows that I hurt my love
My love
