"Conception Of A Cure"

Visit "[Conception Of A Cure](#)" on MotoLyrics.com

The war lasted a year. After 3 years of
Regine Boris Jay was executed by his own
Generals before capitulation was proclaimed.
3 quarter of the planet were contaminated.
We had to live in the tunnels of subway -
System. In our system most of the popula-
tion suffered from mental diseases caused by
The war. And there was a special mashine
Which promised allevation. Dubious help from
The Mental Healer with his...

...CONCEPTION OF A CURE

Give me your hand
I'll show you a different space
Break the barriers of time
I'll be your guide through another dimension
Just free your mind

Get rid of a bias
Have no doubt

I'm called the Essential the central computer
My name is Captain Voice
And I'm the healer - I feed your mind
I'm your healer

Get rid of a bias, make you not doubt
Get rid of a bias, time runs out

Mental healer
I'm the medical agent when truths belie
The drug dealer and you should comply
Mental healer
The future, the past and the now won't lie
The healer is operating inside of you

Give me your hand
I'll expose you eternity
Nothing's obstructing the way
Transcendence we'll grasp I'll do all

So you feel OK

Get rid of a bias, make you not doubt
Get rid of a bias, time runs out

Mental healer
I'm the medical agent when truths belie
The drug dealer and you should comply
Mental healer
The future, the past and the now won't lie
The healer is operating inside of you

Get rid of a bias, make you not doubt
Get rid of a bias, time runs out

Mental healer
I'm the medical agent when truths belie
The drug dealer and you should comply
Mental healer
The future, the past and the now won't lie
The healer is operating inside of you

Being in two minds... time's out !!!
