Feat. Patty Smyth

Darling, darling darling,  
I'll never understand how sometimes  
Just the way you look at me  
Can tear my heart  
But then again  
Darling, darling, darling  
Don't look across the room  
Cuz you might catch me looking at you  
Should we know what to say  
Or what to do  
So hold on  
Don't turn away  
There must be a hundred things  
We forgot to say

How can we touch  
With our hands tied  
When only you know  
How much you keep me satisfied  
How can we explain  
This photo play locked up inside  
With our hands tied?

Darling, darling, darling  
You think this love is blind  
Just remember  
Each time you squeeze her hand  
You crush my heart  
Oh and you just could be  
Driving me out of my mind  
Darling, darling, darling  
I'll never let it show  
As long as you go on leaving me  
I'll just fall apart each time you go  
So hold on  
Don't take my heart away  
She may be one good reason to leave  
But I'm a hundred reasons to stay

How can we touch  
With our hands tied  
When only you know  
How much you keep me satisfied  
How can we explain  
This photo play locked up inside  
With our hands tied?
