Everybody's thinking i would never be the kind of guy
to fall in love
Anybody making plans with another wouldn't be what
i'm thinking of

But now i'm heading to a feeling (don't stop me now)
I may have changed my point of view (don't let me
down)
I don't know what it is
I just can't stop thinking of you, it's true

Baby i would love you to, i'd love you to
Love you to be my baby
Love you to, i'd love you to
Love you to be my baby
Love you to be
Love you to be my baby

Everybody's thinking i would never be the kind of guy
to get too far
With the weight of the world i guess i never really
thought i'd get to where you are

But i may have underestimated (don't stop me now)
Gave me a look that said i do (don't let me down)
Now i know what it's like to see all my dreams coming
true, with you

Baby i would love you to, i'd love you to
Love you to be my baby
Love you to, i'd love you to
Love you to be my baby
Love you to be
Love you to be my baby

Be my, be my baby
Love you to be, love you to be
Love you to
Be my baby, oh yeah

Baby i would love you to, i'd love you to

Love you to be my baby
Love you to, i'd love you to
Love you to be my baby

Love you to, i'd love you to
Love you to be my baby
Love you to, i'd love you to (baby, come on)
Love you to be my baby

Love you to, i'd love you to
Love you to be my baby
Love you to, i'd love you to
Love you to be my baby
