You're so sexy
And talking smooth
Had no idea that
You're gonna lose
The game you're playing
With my mind, not now
I said
"Why do you treat me like that?"
No tomorrow baby
Gonna stay all night
I wanna see it all
So don't you live a lie

Boy you're in
For a big surprise
Ain't gonna be nice

I'm gonna blow
Everythin' you know
About me, myself and I
I'm gonna break
Really gonna shake
Your world
Turn in upside down
I'm gonna make sure
That you're on the floor
When the cops
Will come around
No you won't survive
Me, myself and I

I'm not crazy
I'm just fine
You may think
I'm way outta line
Talkin' to myself
And in my sleep
Baby you put me
Deeper than deep

I can tell you

"No I can't stay"
I just know I don't
Wanna be treated this way
Baby, you were doin' just fine
Then you're gonna
Playin' with my mind

I'm gonna blow
Everythin' you know
About me, myself and I
I'm gonna break
Really gonna shake
Your world
Turn in upside down
I'm gonna make sure
That you're on the floor
When the cops
Will come around
No you won't survive
Me, myself and I

What I'm about to do
Is to live my mind
Will I have the courage?
Will I find the
Strength to carry on?
To respect my needs?
Not to take you back
Everytime you say "Forgive me"

I'm gonna blow
Everythin' you know
About me, myself and I
I'm gonna break
Really gonna shake
Your world
Turn in upside down
I'm gonna make sure
That you're on the floor
When the cops
Will come around
No you won't survive
Me, myself and I

I'm gonna blow
Everythin' you know
About me, myself and I
I'm gonna break
Really gonna shake
Your world
Turn in upside down

I'm gonna make sure
That you're on the floor
When the cops
Will come around
No you won't survive
You won't survive
Me, myself and I
