

Devotion For Variety "Blood Bound"

Our bond burns stronger than a flame
Our memories never fade away
When damage done we will repair
Our bond burns stronger than a flame

Guilty as charged, I'll cover it up for you
Brothers for life, nothing can separate us
We live, we die, together we'll shake the world
Guilty as charged, we are one

No betrayal in the way
And through the bad times we hang tight
There's no writing on the wall
Well never fall, we'll never fail

Guilty as charged, I'll cover it up for you
Brothers for life, nothing can separate us

We live, we die, together we'll shake the world
Guilty as charged, we are one

We are one

Guilty as charged, I'll cover it up for you
Blood bound for life, nothing can separate us
We live, we die, together we'll shake the world
Guilty as charged, we are one

We are one
We are one
We are one
