"I Hate You"

Can you feel the anger, I hate you
Can you feel my anger, Increasing
This time you went too far, I'll break you
This time you went too far, just fuck off

I hate you from the bottom of my heart
I hate you with all that I've got
No matter how hard you try, I will fight
I hate you from the bottom of my heart

Can you see this madness growing
Love to hate, it is your fate
This time you'll pay the price, I'll break you
This time you'll feel the rage, so fuck off

I hate you from the bottom of my heart
I hate you with all that I've got
No matter how hard you try, I will fight
I hate you from the bottom of my heart

I hate you from the bottom of my heart
I hate you with all that I've got
No matter how hard you try, I will fight
I hate you from the bottom of my heart
