[chorus]

If you want some, come and get some
we gon make it hit like a kick drum
we just, shaking it up, shake shake in up
If you want some, come and get some
we gon make it hit like a kick drum
we just, shaking it up, shake shake in up

Now you can tell'm that im harder then some concrete
and all i needs a bomb beat
so u can come and ride this crazy train like im ozzy
they said we going platinum, you know its gonna
happen
and all you nay sayers thought id never make it
rapping
i'll give the business and take u off the hit list
I'll be king james boy and yawl can be the witness
oh u liking kobe saying u don't know me
never did it once i did it trice like im obe
older then shanobi, i cut'em like a flobee
got more energy then they pack in sobe
never met that red bull but i know met a dead fool
and im check a muthafucker like directly off my
schedule

[chorus]

If you want some, come and get some
we gon make it hit like a kick drum
we just, shaking it up, shake shake in up
If you want some, come and get some

we gon make it hit like a kick drum
we just, shaking it up, shake shake in up

I'm overwhelmed with intelligence but I'm not that
smart
I'm like mooses just without the red sea part
I'm full time on the mic and they pay me to shred it
u a part time fix like a radio edit
we said it and back it up like a heavy weight punch
we that four course meal and u didnt make it to lunch
we crunching it so sweet like we making some noise

bringing the fortune and luck like the japanese koi's
and avoid all haters like they struck with the plague
downing bottle after bottle drinking hatorade
we aint yet paid but we classy still
and only murder mics when we asked to kill...ohhhhh

[chorus]

If you want some, come and get some
we gon make it hit like a kick drum
we just, shaking it up, shake shake in up
If you want some, come and get some
we gon make it hit like a kick drum
we just, shaking it up, shake shake in up
