I wont let you, I wont let you, I wont let you
I wont let you, I wont let you, I wont let you
I wont let you, I wont let you, I wont let you
you you you you
I wont let you, I wont let you, I wont let you
you you you you
you you you you
I wont let you, I wont let you, I wont let you

Verse: 1 (Clark)
here we go again
anotha damn story
listen carefully
cuz ima lay the truth really
fuckin fed up
with this crap
listen to ma' track
grab a six pack
feel ma' sick talk
im insane, now endin the game
it doesnt matter
cuz ya fuckin never care
even if ya'll hear this message
you wont even dare to bother
ya never cried fo me
never treated me like ya honey
never understand
i always look like silly
fuckin hurt
im bleedin inside
once, twice now the third time
stabbin me with ya slayin knife
i have no time to fight
i always swallow my pride
now im sendin ya this messge in flight
so realize
im tired of ya rights
im tired of ya demand fights
all ya think is ya point
ya never hear my damn side
if ya want me out of ya sight
say it

now im lettin go
lets betta' live our own damn lives!

Chorus: (JoeyClaris)
I wont let you pull me down
I wont let you push me down
I wont let you make me frown
I wont let you, I wont let you, I wont let you

I wont let you make me sad
I wont let you make me mad
I wont let you take over my life
I wont let you, I wont let you, I wont let you

Verse: 2 (Clark)
do ya evah think what's happenin
it's been four years now
it's twenty eleven
grave offence ive been
im runnin outta sin
im bringin it back
but ya aint bein consistent
answer me!
what the fuck is wrong Tin?!
ya wanna take the lead
after bringin out the seed
always full of greed
ya can't blame me
now im dosed with weed
shit tell me
i need to know it
seriously
am i sick in head?
feed ma' damn curiosity
i ask a lil bread
beggin to spread

now im draggin you in bed
why dont ya just fuckin love me instead?
does it ring the bell?
did i evah mislead?
am i blowin ya head?
or do i still need to repeat what i said!
great!
why do you have to love me this way?
is it because of KC that's why ya leadin' my way?
our life is supposed to be on the right way
but ya always keep on pullin' me off from the driveway

Chorus: (JoeyClaris)
I wont let you pull me down

I wont let you push me down
I wont let you make me frown
I wont let you, I wont let you, I wont let you

I wont let you make me sad
I wont let you make me mad
I wont let you take over my life
I wont let you, I wont let you, I wont let you

Verse: 3 (Clark)

now we're both confused
started to tone down
and pulled off the back fuse
walkin away
from the stairway full of pain searchin for the right
shoe
everyone is affected
but they aint even got no single clue
another misunderstandin'
stop pretending
tellin' people that ya totally innocent
tellin' people that im being aggresive and dependent
i look so freakin stupid
you think i need a repentant?
i gave you everything ya want
that's a sick covenant
doesnt matter
cuz until now im lovin you
but ya never listen
i accept the pain
ignore the shame
when we get back you think it's gonna be the same?
bury me!
im begging you, please!
i wanna die with sincerity
im tellin you this!
i hope you hear me
im burning in hell
please accept my apology
cease the fire
cuz im tired of this anxiety
now lets betta' quit this shit
and start facing the reality

Chorus: (JoeyClaris)

I wont let you pull me down
I wont let you push me down
I wont let you make me frown
I wont let you, I wont let you, I wont let you

I wont let you make me sad

I wont let you make me mad
I wont let you take over my life
I wont let you, I wont let you, I wont let you,

I wont let you
you you you you, you ohh..
you you you you

I wont let you, I wont let you, I wont let you
you you you you
you you you you
I wont let you, I wont let you, I wont let you
