yeah yeah yeah
girl the way you walk
and the way you talk
your always on my mind
girl do you ever think of
how we use to be
get away to the island
you would let your hair down
wont youc ome back now
do you ever think of
i think im losing it
think im going out of my head
i try to run away from the thought
girl do you ever think of
bring your body closer
i just want to hold you
but your not there
yeah girl do you ever think of me
oh x 4
do you ever think of me
yeah
oh
do you ever, ever
do you ever think of me
oh x 4
girl i miss your smile when your ?
i need ya here
playing in my bed
girl do you ever think of
me when your on the floor
give me some more
girl i miss your face

yeah do you ever think of
i think im losing it
think im going out of my head
i try to run away from the thought
girl do you ever think of
bring your body closer
i just want to hold you
but your not there
yeah girl do you ever think of me

oh x 4
do you ever think of me
yeah
oh
do you ever, ever
do you ever think of
oh x 4
when you awake in the morning
do you ever think of, think of, think of, eh, eh, oh
when you awake in the morning
do you ever think of, think of, think of, eh, eh, oh
do you ever think of me
oh x 4
yeah
do you ever think of me
oh
do you ever, ever
do you ever think of
oh x 4
