I like it,
the way her legs shake, how she bending.
Big booty and all that's how I remember it.
Eyes looking seductive. Made a big impression the first
time we met, She speaking Spanish.
Sounding so sexy. Lil mamacita but she stack. very
lively but not to wild.
besides her light skinned face,
her eyes got me wanting to stare at her for a wile.
She doing some gypsy dance pulling me out on the
floor. Titties bouncing as she approach.
So perky Moving it with so much class.
Is this her routine? Never met her before and I'm not to
big on the club seen,
Something about her seemed so innocent, I just cant
place it.
Giving me hints the way she move like she wanting to
make love. I can picture it now.
Candles light, some wine trying to set the mood right.
She a Latina something about that word on my tongue
drives me wild. he black hair brown eyes, got me
hooked.
She just make me smile.

It's been hours dancing, I'm drenched she aint even
broke a sweat.
She got that sweet smell to her. its natural.
No one can capture he sent. I'm going for her heart.
She remind me of a western romance novel, sweep me
off my feel.
Took me to a new place. She stay in shape. check the
definition of them legs. her silhouette alone
would bring a man to his knee's. I'm on the same level
as her truly feeling it.
A vibe set a night not to forget. there will be more.
hopefully filled with more passion. I can just imagine
tongue kissing, fondling each other in the bed.
Not all I want. but what's a relationship with out sex?
Making love as I call it, As well as the shots. But I want
her to take charge. MY body is Hers.
She can do it her way, whatever she like, how she want
it, and that's how I want it.

I know she know some things. I hope she bring them
dance moves to the bedroom.
