Wide open. Them leg's when you bring it to papi.
The realest mc them others is imitating. not copy's.
You know I'm known to bring it to you all night. hitting it
raw like my lyrics with a passion.
Baby stare me in my eyes
That skirt you got on make a brother like me rise. just
feenin for that sweet gooshie girl give me that good.
You know just how I like it wet knowing I can get you
there old school thug you know I aint scared.
Got no reason to be shy. The star of my city. Doing so
good the hater know me well.
But I keep the pimping. I just cant fail. Make em see the
fire in my eyes girl, my hears burning for you.
Lets get together on that so-lo tip one on one. If you got
a man skip that drama,
You know I could do you better. I got that silk rug bring
them pumps. you know I'm a freak
And can flip my tongue crazy. Lady let me lay you
down.

That thug Calvin in the house tonight, That thug Calvin
on the rise tonight, That thug calvin fin to hit that ass
right girl, That thug

calvin in the house tonight. (x2)

When I come around you know you happy when you see
me. the freshest cat. hat to the left and back.
Imagine that someone street like me and high-class
like you.
Be my baby for live shit you know I'm true. I stay down
don't you love how I dick you.
Its in the way you moan. Keep me coming back and got
you blowing up my phone.
No late night conversations cause you know we making
love.
Slip me that tongue you so hot you my life's climax, Ya
sweet spot ill grind that. Gentle.
You so fine to me if I did the things I wanted to do to
you you think I was mental.
Hoping you knowing I'm waiting with Patience and you
so quick to cum. the pussy I don't want to leave it.

Got you thinking how this skinny dude hit it so good its
in my stature you not my dream you real.
Something sweet get to rocking in the bed. no
hesitation she roll with it late night and early like a
thief.
She still give me the pussy. she know how I like it.

That thug Calvin in the house tonight, That thug Calvin
on the rise tonight, That thug calvin fin to hit that ass
right girl, That thug

calvin in the house tonight. (x4)

Your body is banging baby. So electric. Turning me on.
Got me wanting to touch
Lets do it for the love or the lust. As long as there is
trust we can stick together. If not then what ever.
Tell me what you expect. It aint getting no better. Could
with some slow sex.
I know you want it could see threw the smile and the
squint in your eye.
I'm not suppressed. It comes to me baby. Will you last?
I cant get enough. You got the right attitude and a big
ass.
Got me begging, But at a distance. Aint always in your
face. I know when to chill.
This is your boy speaking to you. I aint like them
begging chumps. They trash.
I know you love it I'm a lil bit ornery but coming with
come class.
I'm proper
