You added on my day, you added on
You added on my day

Each morning we marry it's just the most gorgeous of
days
I know you'll never run away

You met a young man who was a wild child
Who harmonizes keys in his dronin' mind
Saxophones sing from inside his head, cryin':

I know you'll never run away
I know you'll never run away
I know you'll never run away
I know you'll never run away

I'm living all the time, thanks, cause you're mine
You turn my dyin' days away
Each day we carry on like believers and lovers
Though there are others who would rather run away

Hey, hey, hey - hey, hey, hey - now
Hey, hey, hey - hey, hey, hey - man
Pay, hey, hey - close attention

I know you'll never run away
I know you'll never run away
I know you'll never run away
I know you'll never run away

I'm holding you all night, through to the dawn
You turn my dyin' days away
My steady diet of high on love
Them takin' dope to coke, have to come down
sometime

Hey, hey, hey - hey, hey, hey - now
Hey, hey, hey - hey, hey, hey - man
Pay, hey, hey - close attention
Hey, hey, hey - hey, hey, hey - now

I know you'll never run away
I know you'll never run away
I know you'll never run away
I know you'll never run away
I know you'll never run away
I know you'll never run away
I know you'll never run away
I know you'll never run away

You added on my day, you added on
You added on my day

Each morning we marry it's just the most gorgeous of
days
I know you'll never run away
